It is greatly appreciated. I would be interested to hear your opinion on how I could improve it to make it worthy of a 5-star rating as I am constantly striving to improve my resources for teachers and students alike. Empty reply does not make any sense for the end userJust what I was looking for thank you.Thank you for taking the time to leave a rating. It is greatly appreciated.Empty reply does not make any sense for the end userAwesome alliterations! Thanks :)Thank you for taking the time to leave feedback. It is greatly appreciated. So pleased that you liked them!Empty reply does not make any sense for the end userGoing to use this as a starter.Thank you for taking the time to leave a rating. It is greatly appreciated.Empty reply does not make any sense for the end userGreat resource, thank you for sharingThank you for taking the time to leave feedback and a rating. It is greatly appreciated!Empty reply does not make any sense for the end user My sister grows gorgeos grapes! Alliterations are groups of words that are not only fun to say, but also fun to write. Here is a free worksheet for you to print out for students to complete. When they are done, see some silly sentences they created! In order to continue enjoying our site, we ask that you confirm your identity as a human. Thank you very much for your cooperation. Alliteration is the occurrence of the same letter or sound at the beginning of adjacent or closely connected words. They are similar sounds in words that occur in close relation to other words in the sentence or phrase. Aside from tongue twisters, alliteration is also used in poems, song lyrics, and even store or brand names. A good example of alliteration would be; She sells sea shells by the sea shore. Our Alliteration worksheets are free to download and easy to access in PDF format. Use these Alliteration worksheets in school or at home. Grades K-5 Alliteration Worksheets Grades 6-12 Alliteration Worksheets Grades K-5 Alliteration Worksheets Here is a graphic preview for all the kindergarten, 1st grade, 2nd grade, 3rd grade, 4th grade, and 5th grade Alliteration Worksheets. Grades 6-12 Alliteration Worksheets Here is a graphic preview for all the 6th grade, 7th grade, 8th grade, 9th grade, 10th grade, 11th grade, and 12th grade Alliteration Worksheets. Click on the image to display our alliteration worksheets. There are lots of fun resources to get your school year started. For more ideas, especially classroom management tools, check out the Back to School Toolkit. These worksheets give your students lots of things to think about, lots of things to share with their classmates and opportunities to consider the kind of year they are going to have. Be sure you also plan some time for collaboration, opportunities for students to compare their answers and perhaps starting doing some "grouping of their own. These resources also include articles with ideas for building classroom structure, routines and a comprehensive plan for classroom management. The first sheet may even help your students help you formulate the routines your classroom will need to run efficiently. As a special educator, IEP's will always have to have a place near the top of the list. These resources should help you prepare your classroom and build the infrastructure that will support your student's needs. Parts of an IEP Behavioral Components of an IEP Identifying Alliteration, Descriptive Adjectives, and NounsIdentifying Alliteration, Descriptive Adjectives, and NounsGet plenty of practice with alliteration by identifying and creating alliterative sentences.5th gradeReading & Writing You've taught your students the seven most common types of figurative language... now what? Next comes lots of practice! These no-prep figurative language worksheets are ready to go for you. Just print and go! A worksheet that focuses on each of the following literary devices is included: similes, metaphors, onomatopoeias, alliteration, personification, hyperboles, and idioms. These worksheets consist of both reading exercises and writing exercises. Students will have an opportunity to identifyYour students will love this Alliteration PowerPoint and Worksheets set, This is a highly visual and interactive PPT that consists of 56 slides, jam-packed with animation, sound effects, and interactive activities. Five printable sheets, including worksheets and a mini poster, are included to reinforce and consolidate new figurative language concepts. Tim and Tony love telling terrific tall tales - listen to their stories and learn all about alliteration! Students learn to identify alliterationThis file has been updated to include a digital distance learning in Google Slides.Alliteration is always amazing! This alliteration activity was created for 3rd-6th grade and will give you everything you need to engage students in fun and meaningful alliteration poems, activities, and worksheet.This file includes: 2 alliteration instructional sheets20 task cards with varying student requirementsa task card answer sheetan acrostic poetry exercisear tongue twister partner activitya class book templateKeep your students engaged as they practice identifying similes, metaphors, and alliteration within sentences! With this print-and-go worksheet and craftivity packet, your students will read the sentences on 20 superhero "shields". They identify whether the sentence is a simile (belonging to Sammy Simile), a metaphor (belonging to Missy Metaphor), or whether it contains alliteration (belonging to Alex Alliteration). When they finish the worksheets, they will sort the shields into groups and asseAlliteration Worksheetby This page supports alliteration lessons. Students need to find the picture in each box that does not have the same beginning sound as the other pictures. Some boxes include rhyming pictures to challenge students to pay attention to the beginning sound in each picture name. Great for morning work, homework, assessment, partner/teamwork activity or even in a literacy center. \*\*Also available as part of my Worksheet Mega Pack: Alliteration: Task Cards and Reproducible Sheetsby Figurative language can be so fun to teach and alliteration is no exception. I've created this little pack as a way for kids to practice creating their own alliterations and also identifying alliterations within sentences. This unit is best suited for grades 2-5, but could be adapted for 1st grade whole group lessons. Here's what you'll get: -1 set of alliteration task cards (colored or a B/W version that you can print on colored copy paper to save on ink!) -Recording sheet for the task card actAlliteration Worksheet Printable Activity Pageby Let your students have fun practicing alliteration with this fun activity page. It even includes a challenge question for them to write their own alliteration sentence. Your students will be able to identify alliteration in poems and sentences after completing this activity. Use this activity page for formative assessment to see what your students know, or for a quiz at the end of your lesson. Enjoy!Alliteration Worksheet in Print and Digital with TpT Easelby This is a free worksheet for students who are learning about alliteration. The worksheet contains two parts. In Part 1, students will identify alliterative phrases in sentences. In Part 2, students will write sentences that contain alliteration.\*\*\*\*\*This resource is available in two formats:1. Traditional Printable- Print the PDF and distribute paper copies to your students to complete.2. TPT EASEL ACTIVITY- This paperless version contains the same content over the course of four slides. SIThe Reading Files contain fun ways to practice basic reading skills - perfect for test prep! Alliteration is a skill often used in poetry and other writing to catch a reader's attention. Examples of alliteration can be fun for students to catch and create themselves. This set contains a total of 30 task cards that can be used for seat work, small groups, centers, and games. Also included are 3 bonus practice pages to let students write their own examples of alliteration. Ideas for using theseAlliteration Centers and Worksheetsby Alliteration is such a fun skill to teach! It lets kids be silly and creative.
